

**Western Virginia Water Authority
Application for
Hydrant Flow Test Data**

- *If current flow test information is available this data will be supplied at no charge. If no data is available for the requested hydrant, or the applicant determines that existing data is not acceptable, the applicant will have the option to pay the standard Hydrant Flow Test Fee and a new flow test will be performed.*
- *Applicant will be contacted by WVWA personnel within 3 business days following receipt of this application. New flow tests and resulting data will be provided within 3 business days of Fee payment.*
