Food grinder discharges to _____ Building Sewer Service _____ Grease Interceptor

Have you applied for Virginia Health Department Permit? _____

Attach a copy of the MENU. Applicable to all establishments that provide a printed, posted or publicized menu.

I hereby certify that the above information is correct. I am also aware that changes in any of the above information will require a re-application and possible increase in the size of grease interceptor required.

I also agree to have the grease interceptor pumped out by a certified grease interceptor cleaning company at a frequency that will maintain the grease interceptor in a proper operating condition.

This permit is valid only for the specific facility, ownership, processes and operations indicated above. As such, it cannot be sold, transferred or reassigned.
