Retirement Benefits

Authority employees receive retirement benefits through the Virginia Retirement System (VRS). It is mandatory that all full-time employees participate in the Virginia Retirement System. The Water Authority contributes an employer amount to the VRS and the **employee must contribute 5% of their salary into the VRS**. Employee payments to VRS are pre-taxed in regards to the employee’s federal and state income taxes. FICA (Social Security and Medicare) are not included as part of the pre-tax. If at any time the employee chooses to leave employment with the Western Virginia Water Authority they may request a refund of the money that they have put into VRS, however federal and state income taxes will be withheld. Should the employee request a refund and receive the refund before reaching age 59 1/2, they may be subject to an additional 10 percent federal tax penalty. More information on taking a refund will be provided upon request.

Life Insurance

Life insurance is provided for every full-time employee and is paid in full by the Authority. The benefit is two times the employee’s annual salary, four times if accidental.

Optional Life Insurance

Optional life insurance coverage is available to employees at their cost. Employees may purchase up to four times the amount of their annual salary. Spouse and dependent coverage is also available to the employee at the employee's cost.

Deferred Compensation

Employees have the option of participating in the voluntary deferred compensation program (457/401). Contributions may be made through pre-tax deductions from paychecks. The Authority makes a matching contribution up to \$40 per pay period (\$1,040 per year) for participating full-time employees. Employees under the VRS Hybrid Retirement plan must contribute the voluntary 4% to the VRS Hybrid plan before receiving the matching contribution from the Authority.

ROTH Individual Retirement Account (IRA)

Employees can choose to contribute into the Roth IRA that allows tax-free withdrawals in the future.

Flexible Spending Accounts

Flexible spending accounts provide an opportunity for employees to set aside pre-tax money through payroll deduction to use towards qualifying medical expenses and/or dependent care expenses. We also offer a debit card with this program.

Long Term Disability

Long term disability insurance is available for all full-time employees. Should the employee need to be out of work due to a disability, the benefit allows employees to receive up to 60% of their monthly pay after serving a 90-day waiting period. WVWA contributes 50% of the premium for this benefit.

Employees under the VRS Hybrid Retirement plan are automatically enrolled in a long-term disability plan that is paid for 100% by the Authority.

American Wellness Solutions

Provides credit counseling sessions to employees and immediate family members. Service is paid for by the Water Authority.

Tuition Reimbursement

The Tuition Reimbursement Program helps employees pursue professional growth and development with the Authority by providing reimbursement for non-mandatory, job-related course work. The program is normally intended for those completing an academic degree, such as an associates, bachelors or master's degree; however, it may also be available for continuing education credits or vocational learning as appropriate to the employee's job function. Once approved, the benefit reimburses up to \$3,000 per year. Tuition reimbursement is available to employees after being employed for 1 year.

Educational Bonuses

Employees passing or completing pre-approved job related certifications, courses, licenses or degrees may receive a bonus of \$500 or \$1,000 pending the level of difficulty.

Credit Union

Employees have the opportunity to participate in the Member One Credit Union and the Roanoke Valley Federal Credit Union.

Direct Deposit

All new full-time, part-time, and temporary employees are required to participate in direct deposit and is a condition of employment.

Paid Leave

Paid leave is leave for any reason deemed appropriate by the employee and approved by the supervisor. Reasons normally include, but are not limited to: vacation, personal or family illness/disability, attendance at funerals other than for family members or for medical or other health care provider appointments for the employee or family members.

New employees earn 120 hours of leave during their first year of employment (equivalent to 15 days per year based on an 8-hour day) and then begin accruing 144 hours per year up to their 5th year of employment (equivalent to 18 days per year based on an 8-hour day). Each five years of employment thereafter, employees accrue additional days based on the paid leave schedule. Maximum earned Paid Leave hours are 300 with hours in excess of 300 and up to 80 are transferred to Extended Illness Leave (EI for FT employees under VRS Plan 1 or 2). Paid Leave hours are paid out at 100% upon the end of employment or retirement with the Water Authority.

Extended Illness Leave (FT employees under VRS Plan 1 or 2 Only)

Extended Illness Leave is an approved absence from work with pay for personal or family illness/disability. The employee must have and use 24 hours of consecutive Paid Leave in order to begin using Extended Illness Leave. Extended Illness Leave will accrue at the rate of six (6) hours per month for full time. There is no limit of Extended Illness hours and these hours are paid out at 30% upon retirement with the Water Authority.

Holidays

Authority employees receive eleven (11) holidays per year (88 hours per year). Three of these holidays are considered "floating" holidays in which divisions remain open and employees who work may "bank" the holiday to use at a later date or be paid for the holiday based on the division's policy on floating holidays. Holiday hours taken are considered "hours worked" towards overtime during a 40 hour week.

Other Leave Types Provided to Full-Time Employees
